

Cage The Elephant - Skin And Bones

Tom: **G**

Intro: **Am F Dm F**

[Verso 1]

Am **F**
Close my eyes and drift into the silence
Dm
Barely see the ultraviolet
F
Slipped and fell into the deep end
Am **F**
Oh, the sidewalk shimmer just like diamonds
Dm
All the empty words were flying
F
Well, the heart was low, but I never was alone
I never was alone

[Refrão]

Am **C** **Dm** **F**
I've been running for so long
Dm **F**
All that's left is skin and bones
Dm **F**
Close my eyes, fight to carry on
Am **C** **Dm** **F**
Sometimes it makes no sense at all
Dm **F**
If I stumble, will I fall?
Dm **F**
If I fall, I'll tuck and roll
Dm
Close my eyes and let the love-light guide me home
Dm
Let the love-light guide me home

[Verso 2]

Am **F**
One step fades and falls into another
Dm
I'm not getting any further
F
Left you feeling like an alien
Am **F**
All the shining sidewalks, they were lying
Dm
Lost myself while I was hiding
F
And the heart was low, but I never was alone
F

I never was alone

Can I hit the ground?
