Sweetie Little Jean where did you go? **Gbm**
 Everyone's been searching high and low **D**
 And your mother's worried sick **Bm**
 Dearest daddy lost his grip **D**
 While the whole world's watching **Bm**
 Candlelight vigils being held in silence **D**
 On the channel four **Bm**
 And they've knocked every door **Gbm**
 Every place you've been before **D**
 How long will we let it go? **Bm** **Gbm**
 I think we should just let go **D** **Bm** **Gbm**
 I, I want you back (back) **D** **Bm**
 Let's get back **Gbm**
 Lay my weary head against your bones **A** **D**
 Where all my troubles will be dead and gone **Bm**
 How long will we let it go? **D** **Bm** **Gbm**
 I think we should just let go **D** **Bm** **Gbm**
 (**E D Gbm**)
 Has melancholy taken you for good? **Gbm**
D

You know that I would save you if I could **Bm**
 Watched your laughter turn to tears **D**
 Then you vanished in thin air **Bm** **D**
 Well we pinned your missing persons picture up **Bm** **Gbm**
 On every mother-loving post **Gbm**
 How's it feel to be a ghost? **D**
 You're the one I love the most **D** **Bm**
 I, I want you back **Gbm**
 Let's get back **A** **Bm** **Gbm** **D**
 Lay my weary head against your breast **Bm** **D**
 Where all my troubles will be laid to rest **D** **Bm**
 I pushed and I pulled 'til I pushed you aside **D** **Bm**
 Now all that is left are the tears that you cried **D** **Bm**
 I'm sorry love for all of the damage done **Gbm** **A**
 I only hope that someday to be back beside you **D** **Bm**
 I, I want you back **Gbm**
 Let's get back **A** **D**
 Lay my weary head against your bones **Bm** **D**
 Where all our troubles will be dead and gone **D** **Bm** **Gbm**
 How long will we let it go? **D** **Bm** **Gbm**
 I think we should just let go
