

# Cage The Elephant - Sweet Little Jean

Tom: A

Intro: ( Dbm Bm D Gbm )

( D Db Bm )

( E A Gb )

Sweetie Little Jean where did you go? Gbm  
 Everyone's been searching high and low D  
 And your mother's worried sick Bm  
 Dearest daddy lost his grip D  
 While the whole world's watching Bm  
 Candlelight vigils being held in silence D  
 On the channel four Bm Gbm  
 And they've knocked every door Gbm  
 Every place you've been before D  
 How long will we let it go? D Bm Gbm  
 I think we should just let go D Bm Gbm  
 I, I want you back (back) D Bm  
 Let's get back Gbm  
 Lay my weary head against your bones A D  
 Where all my troubles will be dead and gone Bm D  
 How long will we let it go? D Bm Gbm  
 I think we should just let go D Bm Gbm  
 ( E D Gbm ) Gbm  
 Has melancholy taken you for good? D

You know that I would save you if I could Bm  
 Watched your laughter turn to tears D  
 Then you vanished in thin air Bm D  
 Well we pinned your missing persons picture up Bm Gbm  
 On every mother-loving post Gbm  
 How's it feel to be a ghost? D  
 You're the one I love the most D Bm  
 I, I want you back Gbm  
 Let's get back A Bm Gbm D  
 Lay my weary head against your breast Bm D  
 Where all my troubles will be laid to rest D Bm  
 I pushed and I pulled 'til I pushed you aside D Bm  
 Now all that is left are the tears that you cried D Bm  
 I'm sorry love for all of the damage done Gbm A  
 I only hope that someday to be back beside you D Bm  
 I, I want you back Gbm  
 Let's get back A D  
 Lay my weary head against your bones Bm D  
 Where all our troubles will be dead and gone D Bm Gbm  
 How long will we let it go? D Bm Gbm  
 I think we should just let go
