                G

            G
Home sweet home
            Bm
Always on the road
  G
Chasin' gold, fool's gold
                    Bm
Ain't nothin' left but bones
C
I don't wanna spend another lonely night
D
Walkin' round this world wihtout you by my side
    C                    D
In the corner of the room I see you standing all alone
C
Every single time that you're next to me
D
Oh, I can testify it takes the breath from me
C                        D
I think it's safe to say it's been too long
G
Gone
                Bm
On my way to Rome
      G
Far from home sweet home
                        Bm
Like to cut me to the bone
C
I don't wanna spend another lonely night
