

Cage The Elephant - Timber Me Shivers

Tom: D

(intro) D Gbm Bm A

(verso)

D
Timber Shakes
These trails they are derailed Gbm
Phony false and frail Bm
An empty ocean
A Lost our way with no direction home D
Golden needles names we take in vein Gbm
Find it harder to remain Bm

Nothing sacred
A Waiting on that explanation

(refrão)
D Right before my eyes
A (I)saw the whole world lose control
Bm The whole world lost control
G Before my eyes
A Uh huh

D I fell through the floor
A (I)couldn't take it anymore
Bm I can't take this anymore
G Fix my mind
A Uh huh

(verso 2)
D Hold her dirty hands over the flames Gbm
Getting pleasure from the pain Bm
Softly screaming
A The pistol that she raised has spoken
D Golden needles names we take in vein Gbm
Find it harder to remain Bm
Nothing sacred

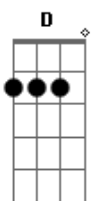

A Waiting on that explanation
(refrão 2)
D Right before my eyes
A (I)saw the whole world lose control
Bm The whole world lost control
G Before my eyes
A Uh huh

D I fell through the floor
A (I)couldn't take it anymore
Bm I can't take this anymore
G Fix my mind
A Uh huh
(ponte)
G Everything I thought I knew fell to the side Bm
G Time went on and on
Bm Can't see past my own eyes
A Past my eyes
Bm Past my eyes
A Past my eyes

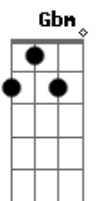

(refrão 3)
D Right before my eyes
A (I)saw the whole world lose control
Bm The whole world lost control
G Before my eyes
A Uh huh

D I fell through the floor
A (I)couldn't take it anymore
Bm I can't take this anymore
G Fix my mind
A D Uh huh
