( **Bm A Bm Gbm E** )

**Bm**  
Endless shot rounds  
**Bm**  
No smoking guns  
**Bm**  
Fizzled and faded  
**Bm**  
Now back on the run  
**Gbm**  
My sticks and stones  
**Gbm**  
Tokyo smoke  
**E**  
I played the fool 'til I started to choke  
**Bm**  
My public smile  
**Bm**  
My double face  
**Bm**  
Half in the light  
**Bm**  
Half in the shade  
**Gbm**  
Need some fresh air  
**Gbm**  
No place tonight  
**E**  
Guess I'll stay in and continue to fight  
**Bm**  
Lost, trace of trail  
**Bm**  
Spiderweb spun  
**Bm**  
Pale white and blue  
**Bm**  
Now I'm coming undone  
**Gbm**  
Play sticks and stones  
**Gbm**  
Three shades of black  
**E**  
Two steps away  
**E**  
And I can't get back
