

# Cainã (Morador do Mato) - A Talk With The Time

Tom: G

Dedilhado: G C

G C  
Time, I'm sad that you go by  
G C  
I haven't done all I wanted to  
G C  
Oh time, all memories left behind  
G C  
They now may rest with you

G C  
Mind, I know that you won't lie  
G C  
You've never let me down before  
G C  
Oh my, why did I want to grow?  
G C  
Small was being good

Em G C  
And I'm scared of what you bring  
Em G C  
I can not just be ready for  
D C  
Surprises that you make  
D C

When sometimes I just don't understand them at all

G C  
Time, how come you are so wise?  
G C  
You always let it go  
G C  
Oh time, those very friends of mine  
G C  
When have they gone so cold?

Em G C  
Oh time, help me find the way  
Em G C  
Am I doing all wrong?  
D C  
I see you in my face  
Em G C  
And I'm scared of what you bring  
Em G C  
I can not just be ready for  
D C  
Surprises that you make

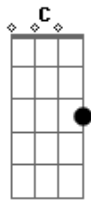

When sometimes I just don't understand them at all

G C  
Time, I'm sad that you go by  
G C  
I haven't done all I wanted to
