(**G C D C**)  
Oh... I'll be walking above the clouds  
As long as we're walking hand in hand through the world  
The more I get lost inside my poor imagination  
The more I can find a brand new constellation

(**G C D C**)  
I've been talking to the stars  
I've been swimming through the sparks  
I've been holding on at night  
The more I get lost through the beauty in the Sky  
The more I can find a brand new piece of mind

(**G C D C**)  
Maybe I'm too young  
Too young to hold on

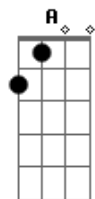

Maybe I'm too old  
To just break free and run  
Or am I such a fool  
Falling in love with you?  
A blind man surrounded by the light?

(**G C D C**)  
Oh, sugar! I've been waiting for so long  
For a daydream to guide all my poems and rhymes  
The more I get lost through the light from your eyes  
The more I can find my own life in your heart

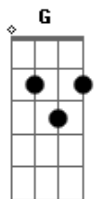

(**G C D C**)  
Maybe I'm too young  
Too young to hold on  
Maybe I'm too old  
To just break free and run  
Or am I such a fool  
Falling in love with you?  
A blind man surrounded by the light?

(**G C D C**)  
Maybe I'm too young  
Too young to hold on  
Maybe I'm too old  
To just break free and run  
Or am I such a fool  
Falling in love with you?  
A blind man surrounded by the light?  
Something like that  
Something like that
