

# Cake - Haze Of Love

Tom: A

Album: Motorcade of Generosity

I think this sounds best with bar chords --

D - X57775

A - 577655

If you strum creatively, you can get it to sound pretty cool. Also, for the solo make sure that you LISTEN TO THE SONG for the timing. If you know the song the solo should sound pretty good. A better guitar player could probably tab it more efficiently, so please feel free to modify this.

D  
It's three o'clock in the morning,  
D A  
Or maybe it's four.  
A  
I am thinking of you,  
A  
Wondering what I should do,  
A D  
But I'm finally cutting through this haze.

D  
It's four o'clock in the morning,  
D A  
Or maybe it's five.  
A  
I think I'm alive,  
A  
And I think I'll survive.  
A D  
I'm finally cutting through this haze of love.  
D A  
Haze of love.  
A  
For days and days and days,  
A D  
I'm in a haze of love.

D A  
Yeah you don't love me like I love you.  
A  
Although you pretend,  
A  
I can see this will end.  
A D

I'm finally cutting through this haze of love.

D A  
Haze of love.

A  
For days and days and days,

A D  
I'm in a haze of love.

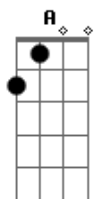

D  
It's five o'clock in the morning,  
D A  
Or maybe it's six.  
A  
I am sick of your lies.  
A  
I am sick of your tricks.  
A D  
I'm finally cutting through this haze of love.  
D A  
Haze of love.  
A  
For days and days and days,  
A  
For days and days and days,  
A  
For days and days and days,  
A D  
I'm in a haze of love.

Feedback always appreciated...
