

Cake - Never There

```
Tom: G
                                                               First you say you're too busy
                                                               I wonder if you even miss me
   (Baixo) - Riff 1 - Riff principal
                                                               (Riff 1)
                                                                         >>> Riff 3
                                                              Never there
(Guitarra) - Riff 2
                                                                                 >>> Riff 4
 P.M....
                                                               You're never there
                                                                                       >>> Riff 3 >>> Riff 5
                                                              You're never, ever, ever, ever there
(Guitarra) - Riff 3
                                                               (Solo)
(Guitarra) - Riff 4
                                                              N.C.
                                                               A golden bird that flies away, a candle's fickle flame
(Guitarra) - Riff 5
                                                               To think I held you yesterday, your love was just a game
                                                              A golden bird that flies away, a candle's fickle flame
    P.M....
                                                               To think I held you yesterday, your love was just a game
                                                               >>> Riff 7 (2x)
(Solo Trompete arr. p/ Guitarra)
                                                              You tell me that you love me so, you tell me that you care
 Riff 1.....
                                                                                       >>> Riff 5
                                                               But when I need you baby
>>> Riff 6
                                                               Take the time to get to know me
                                                               If you want me why can't you just show me
                                                              We're always on this roller coaster
(Baixo) - Riff 6
                                                               If you want me why can't you get closer?
                                                               (Riff 1)
                                                                          >>> Riff 3
(Guitarra) - Riff 7
                                                              Never there
                                                                                 >>> Riff 4
                                                               You're never there
                                                                                       >>> Riff 3
N.C.
I need your arms around me, I need to feel your touch
                                                               You're never, ever, ever, ever there
(Riff 1)
I need your understanding, I need your love so much
                                                               (Riff 1)
                                                                         >>> Riff 3
You tell me that you love me so, you tell me that you care
                                                               Never there
                                                                                 >>> Riff 4
But when I need you baby, you're never there
                          (Riff 2)
                                                               You're never there
                                                                                       >>> Riff 3 >>> Riff 5
(Riff 1)
                                                               You're never, ever, ever, ever there
On the phone long, long distance
Always through such strong resistance
                                                               (Solo)
```
