

Cake - Symphony In C

Tom: **C**

There?s NOTHING for this great song on the net, so I figured I?d tab it.
This is the work of my teacher and I, so don?t touch it. Or else?

If you DO wanna get a hold of me, you can write at

Intro: **Dm Dm**

Bb F Bb F
?defies all earthly?

Dm Am Dm F G Bb F Bb

F C Dm G C (x2)

Dm Am Dm F G Bb F Bb F (for the weird strumming during this

verse, just hit the top string of the chord the bottom ones repeatedly)

Dm Am Dm F G Bb F Bb Bb

Chorus:

F C Dm G G G

F C Dm G C C

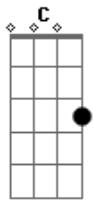

F C Dm G C

Solo:

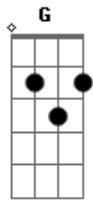

(for the solo during the outro, just repeat those last few notes)

And there it is. Not too hard?.but effective.
