tom:
Capotraste na 4ª casa
Intro: **Em** **C** **G**
Em **C** **G**

[Primeira Parte]

There's a thousand reasons this won't work
I can count the ways we'll crash and burn
There's a thousand reasons not to try
But is one enough to change your mind?

[Segunda Parte]

There's a hundred ways to break your heart
But I'll never know if we don't start
There's a hundred signs to let you go
But is one enough to hold me close

[Refrão]

'Cause life
Is full of wasted moments that felt right
And don't we have enough for us to dive right in?
Even if we don't know how this ends

Even if we don't know how this ends

[Terceira Parte]

There's a million chances for mistakes
That we both can't promise not to make
There's a million doubts that you might have
But is a spark enough to not hold back

[Refrão]

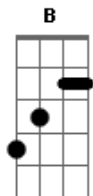

'Cause life
Is full of wasted moments that felt right
And don't we have enough for us to dive right in?
Even if we don't know how this ends

[Instrumental Break] **G** **D** **Em**
G **D** **Em**

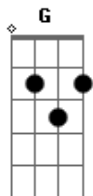

[Final]

G **D** **Am** **Bm** **C**
Even if we don't know how this ends
There's a thousand reasons this won't work
I can count the ways we'll crash and burn
There's a thousand reasons not to try
But is one enough to change your mind?
