Calpurnia - Waves

```
                        tom:
                             G
Intro: G7  C  A2  D7  D7
        G7  C  A2  D7  D7

G7              C
Dreaming of the days
C      A2                   D7      D7 D7
We used to sit and watch the waves go by
G7                      C
The sun rises and falls again
A2                     D7          D7
But things can never be the way they were back then

Bm                      C
And I don't know where we're going
F                             Eb
We can never change the way the wind's blowing
Bm                  C
I know I'd only be pretending
F                        Eb
If I would've said we are never-ending
Am
I wish I could say things had turned out this way

( G7  C  A2  D7  D7 )
( G7  C  A2  D7  D7 )

G7                      C
Every day was filled with sunshine
A7                    D7        D7
Everything felt like it all would be fine
G7                      C
And I would never sleep again
```

```
A2                      D7             D7  D7
If I had known when I woke up it all would end

Bm                      C
And I don't know where we're going
F                             Eb
We can never change the way the wind's blowing
Bm                  C
I know I'd only be pretending
F                        Eb
If I would've said we are never-ending
Am
I wish I could say things had turned out this way

G7              C
Dreaming of the time
A2                     D7        D7
You made me feel like the world was mine
G7                      C
And now it doesn't matter what you say
A2                      D7     D7
Without you the sky is always gray

Bm                      C
And I don't know where we're going
F                             Eb
We can never change the way the wind's blowing
Bm                  C
I know I'd only be pretending
F                        Eb
If I would've said we are never-ending
Am
I wish I could say things had turned out this way
```
