I'm already there, here in your eyes  
D A  
We climb the gates, every time  
Bm A G  
That you lie down next to me?

I rest in peace  
D A  
Th?y say it's better, but how  
Bm  
Could that be?  
A G A  
If everyone had a love like us  
G A  
They wouldn't call that place

Above, Heaven

G A  
Waking up to you feels I  
D Bm  
Pinch-myself for a moment

If we're only here for a while, I  
Wanna spend
