

# Camera Obscura - Dory Previn

tom:

Intro: A

Fed up of girls in pretty dresses

With boys who want to teach them a lesson

Sick of the sight of my old lover

Went under sheets and covers to get away from him

I can't see what he once meant to me

I think it's time I put him out of my mind

So I took a glimpse of Montana

Now nothing else matters

I'll heal eventually

How I adore you Dory Previn

Turned you up to eleven for the band's ears to bleed

I can't see what he once meant to me

Do you think it's time I put him out of my mind?

Do you think it's time I put him out of my mind?

[Solo]

I can't see what he once meant to me

Do you think it's time I put him out of my mind?

I can't see what he once meant to me

So I think it's time I put him out of my mind?

Yeah I think it's time I put him out of my mind?

I think it's time I let my love for him die

[Final]
