

# Camila Cabello - First Man

tom:

C

[Primeira Parte]

Em G C  
Yes, I'm gonna stay with him tonight

Em G C  
I'll see you in the mornin'

Em G C  
No, of course he won't drink and drive

Em G C  
Can you say bye to mom for me?

Em G C  
Oh, you'll like him, he's really kind

Em G C  
And he's funny like you sometimes

Em G C  
And I found someone I really like

Em G C  
Maybe for the first time

[Pré-Refrão]

D  
No, I don't need a jacket

Em C Em  
It's not that cold tonight

D  
And you worry, I get it

Em C  
But he's waitin' outside

[Refrão]

G  
I swear on my heart that he's a good man

Em D G  
I know you'll stay up late just waitin' for me

Em C Em  
You held me so tight, now someone else can

D G  
But you were the first man that really loved me

[Segunda Parte]

Em G C  
Now you're driving to the airport

Em G C  
Not just me you pick up anymore

Em G C  
I've got eight days off comin' up

Em G C  
And I can only come home for four

[Pré-Refrão]

D  
Yeah, I just met his family

Em C Em  
They're just like you and mom (Oh)

D  
He makes me really happy

Em C G  
I think he might be the one, oh

[Refrão]

C Em  
I swear on my heart that he's a good man

D G  
I promise he loves me, he'd never hurt me

C Em  
You held me so tight, now someone else can

D G  
But you were the first man that really loved me

C Em  
Now you're on the driveway, faking a smile

D G  
You wish you could tell him he doesn't deserve me

C Em  
So I had to stop the car and turn around

D G  
To tell you you were the first man that really loved me

[Pós-Refrão]

C  
Ah, ah, ah

Em  
Ah, ah, ah

D  
Ah

[Ponte]

G C  
And before they open up the doors

G D  
I say, "I've never seen you cry before"

G C  
You say, "You've never looked so beautiful"

D G  
You know you'll always be my little girl"

[Refrão]

C  
You're looking at me while walking down the aisle

D G  
With tears in your eyes, maybe he deserves me

C Em  
You don't even know how much it means to me now

D G  
That you were the first man that really loved me

C Em  
Oh, really loved me

D G  
Oh, you really love me
