

Camila Cabello - Godspeed

tom:
Intro: C E Am F

C
I don't wanna be at this party anymore
E
I don't think your jokes sound funny anymore
Am
All these shoes I can't dance in, what for?
F
I'ma let this out barefoot on the floor
C
And they gonna say

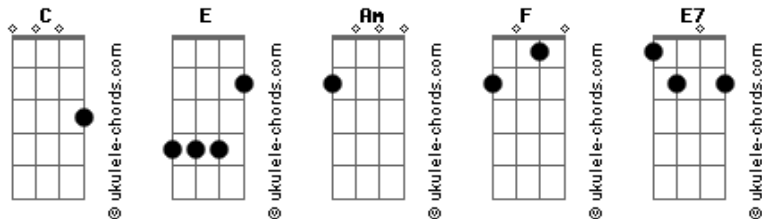

I should probably up the meds
E
Or some things should've stayed in my head
Am
I'm tired of playin' pretend
F
Stop driving into death
C
We're livin' in a ghost world
E
We're livin' in a past life
Am
If everything could stay the same
F
Well, wouldn't it be nice?

But you know me, you know me
C E7 Am
I always know just when to leave
F C
When the night is past its peak
E7 Am
And I hop? you find some peace
F C
Godspeed

C
P?ace is so elusive, joy is so elusive
E
Kisses from my muses, juices for the bruises
Am
I got real-life angels

Got me when I lose it

Acordes

F
If I gotta burn a bridge

So help me, light the fuses
C
Sometimes I just lose it

Thoughts can be abusive
E
Times when I lose sight of love

The real reason I do this
Am
Fifteen since I do this

Twenty-six, I choose this

We're livin' in a ghost world (Ghost world)
E
We're livin' in a past life (Past life)
Am
If everything could stay the same
F
Well, wouldn't it be nice?
C
But you know me, you know me, I
(You know I always know, yeah)
E7 Am
Always know just when to leave
F C
When the night is past its peak (When the night, mm)
E7 Am
And I hope you find some peace
F C
