

# Camila Cabello - Like Friends Do

tom:

Intro: E E E E

[Primeira Parte]

We get drunk off hotel mini bars

We get drunk off heartbeats in the dark

And it's your hands on my legs

And the way this could taste and this is how it starts

Falling in love

And we're singing 90's R&B

And you ask me to be yours, and I said: Friends nothing more

And you laugh and say to me

[Pré-Refrão]

What are you afraid of? Afraid of?

I'm thinking falling in love, in love

You're the one I'll wait on, wait on

I won't surrender

What are you afraid of? Afraid of?

I'm thinking falling in love, in love

You're the one I'll wait on, wait on

I won't surrender

[Refrão]

So you said: I'll sit straight on the couch like friends do

And I'll stop touching your mouth like friends do

'Cause I can't look at you quite like friends do

Like friends do, like friends do

And you don't say my name quite like friends do

I kiss your neck, does it feel like friends do?

So baby say it again, I dare you, this feels like

Like friends do?

[Segunda Parte]

We built castle made of rose and gold

And I'll be your blanket when it's cold

So use the scar on my chin, the way I bite my lip

Cause this is how it starts

Falling in love

We don't hear the whispers on the streets

I'll break off a piece of my heart hope you don't tear it apart

When you laugh and say to me

[Pré-Refrão]

What are you afraid of? Afraid of?

I'm thinking falling in love, in love

You're the one I'll wait on, wait on

I won't surrender

What are you afraid of? Afraid of?

I'm thinking falling in love, in love

You're the one I'll wait on, wait on

I won't surrender

[Refrão]

So you said: I'll sit straight on the couch like friends do

And I'll stop touching your mouth like friends do

'Cause I can't look at you quite like friends do

Like friends do, like friends do

Cause you don't say my name quite like friends do

I kiss your neck, does it feel like friends do?

So baby say it again, I dare you, this feels like

Like friends do?

[Ponte]

And when all of this is said and done

You'll remember me, you'll remember us

[Pré-Refrão]

What am i afraid of?

Falling in love

I'm the one you waited on

I surrender, i surrender

[Refrão]

So you said: I'll sit straight on the couch like friends do

And I'll stop touching your mouth like friends do

'Cause I can't look at you quite like friends do

Like friends do, like friends do

And you don't say my name quite like friends do

I kiss your neck, does it feel like friends do?

So baby say it again, I dare you, this feels like

Like friends do?

And I'll sit straight on the couch like friends do

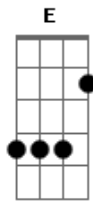

And I'll stop touching your mouth like friends do

'Cause I can't look at you quite like friends do

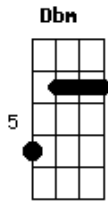

Like friends do, like friends do
