

# Camila Cabello - Lola (feat. Yotuel)

tom: G

Intro: Em Bm

[Primeira Parte]

Em  
Lola was the smartest in the school

Bm  
She was a supernova

She had a mind beyond her time

Em  
It was a thrill to know her

Bm  
She had dreams, she'd fall in love some place like Barcelona

Lola, Lola, Lola, Lola

[Pré-Refrão]

Em  
She could've walked on the moon, yeah

She could've found us a cure

Bm  
But family didn't have no food

And she had to leave school to work

Em  
Nobody breaks the ceiling

Nobody where she's from

Bm  
Nobody breaks the ceiling, yeah

[Refrão]

Nobody's listening

Em  
So she won't speak, won't speak

Bm  
All of those dreams are fading slowly, slowly

Em  
She knows the stories 'bout the police, police

Bm  
It's just the way it is so don't speak, don't speak

[Segunda Parte]

Em  
Lola

Bm  
She believed the world, they promised her, but now she's older

Em  
She's seen the people disagree and disappear

Em  
The power's out for days

No food is on its way

Nothing changes

Bm  
This ain't the dream they sold us

Lola, Lola, Lola

[Pré-Refrão]

Em  
She could've walked on the moon, yeah

Could've found us a cure

Bm  
But she worried 'bout her children

Ninety miles till the shore

Em  
Nobody breaks the ceiling

Nobody where she's from

Bm  
Nobody breaks the ceiling, yeah

Nobody

[Refrão]

Nobody's listening

Em  
So she won't speak

Won't speak

Bm  
All of those dreams are fading slowly, slowly

Em  
She knows the stories 'bout the police, police

Bm  
It's just the way it is so don't speak, don't speak

[Terceira Parte]

Em  
Se pone bien bonita

Como lista pa' un desfile

Le prometieron ser la

Reina del Caribe

Bm  
Pero alguien le cambió

El guión de cine

Y comenzar de nuevo

Solo pide

Em  
Del bajo mundo ella proviene

Cuanto vales cuanto tienes

Bm  
Ese es el precio de mi Lola

Cuando no hay salida

Quiere libertad

Bm  
Quiere patria y vida

[Refrão]

Nobody's listening

Em  
So she won't speak

Won't speak

Bm  
All of those dreams are fading slowly, slowly

Em  
She knows the stories 'bout the police, police

Bm  
It's just the way it is so don't speak, don't speak

( Em Bm Em Bm )

Em  
Quiso sacarse el dolor

Matando su corazón

Bm  
Ella soñaba volar

Pero el avión nunca

Em  
Despegó

Cuanto sufre el paso

Bm

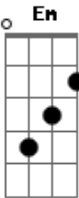

Del tiempo y siempre sola

Acordes

En mi Havana cuantas Lola's
