Am  
I forgot the feeling  
C  
The feeling of being alone But not lonely  
Am  
I guess when you touch me  
C  
My fears and my secrets Belong to you only  
Am  
Close the door behind you  
C  
Just let me love you, you, hold you  
Am  
My mind stays on you  
C  
So does my body let me show you  
C G  
But I wanna go through  
Am Em  
And I wanna need you  
C G  
Could you be my muse  
Em  
Lately all I think about is you  
  
I'm never sick about it  
Am  
This love's incredible-credible  
C  
Have a little mercy on me  
  
Baby, you got me  
  
Wanting more, wanting more  
  
Of your love  
  
Incredible-credible  
  
Have a little mercy on me  
  
Baby, you got me  
Am  
Wanting more, wanting more  
C  
Of your love  
  
Am C

Am  
I know you've been hurt  
C  
By the way that you look away  
  
From me too early  
Am  
You don't like to talk about it  
C  
But it was fun, I get it  
  
So don't worry  
Am  
But I wanna go through  
C  
And I wanna need you  
Am  
Could you be my muse  
C  
Lately all I think about is you  
  
I'm never sick about it  
Am  
This love's incredible-credible  
C  
Have a little mercy on me  
Baby, you got me  
Am  
Wanting more, wanting more  
C  
Of your love  
Am  
Incredible-credible  
C  
Have a little mercy on me  
  
Baby, you got me  
Am  
Wanting more, wanting more  
C  
Of your love  
Am  
Wanting more, wanting more  
C  
Of your love  
Am  
Wanting more, wanting more  
C  
Of your love  
Am C  
This love  
Am C  
Wanting more, wanting more
