

Camp Rock 2 - Can't Back Down

Tom: **A**

(intro)

We can't, we can't back down
We can't, we can't back down
We can't, we can't back down
We can't, we can't back down
Not right now, we can't back down
Not right now, we can't back down
We can't back down
We can't back down

(verso)

Don't close your eyes,
We're all in this together, wherever
We draw the line,
We're not gonna straddle across it or lose it

(refrão)

We can't back down, there's too much at stake
This is serious, don't walk away
We can't pretend it's not happening
In our own backyard, our own home plate
We've been called out. Do you hear your name?
I'm not confused, lets win this thing
We can't back down, there's too much at stake
Don't walk away, don't walk away

(verso)

Don't get me wrong,
I don't like confrontation
I'd rather we all just get along
Music should be undivided, united

(refrão)

We can't back down, there's too much at stake
This is serious, don't walk away
We can't pretend it's not happening
In our own backyard, our own home plate
We've been called out. Do you hear your name?
I'm not confused, lets win this thing
We can't back down, there's too much at stake
Don't walk away, don't walk away, don't walk away

(ponte)

We got a situation, that we can't ignore
Cause ignorance is not bliss, we don't have to take this, no!
With every big decision comes an equally important
Share of the risk, we gotta take this, oh!!

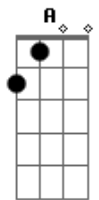

(refrão)

We can't back down, there's too much at stake
This is serious, don't walk away
We can't pretend it's not happening
In our own backyard, our own home plate
We've been called out. Do you hear your name?
I'm not confused, lets win this thing
We can't back down, there's too much at stake
Don't walk away, don't walk away

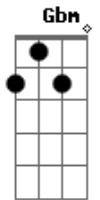

(outro)

We can't back down
We can't back down
Not right now
We can't back down
