

## **Camp Rock - Gotta Find You**

```
I need to find you
(forma dos acordes no tom de G )
                                                            I gotta find you
Capostraste na 4º casa
Intro: C G D Em C G D Em
                                                            You're the missin' piece I need
                                                            The song inside of me
[Primeira parte]
                                                            I need to find you
Every time I think I'm closer to the heart
                                                              D
                                                            I gotta find you
          G
                    Em
Of what it means to know just who I am
                                                            [Ponte]
I think I've finally found a better place to start
       G Fm
But no one ever seems to understand Em C G
                                                            Been feelin' lost
I need to try to get to where you are
                                                            Can't find the words to say
                  D
                                                            Spendin' all my time stuck in yesterday
Could it be, you're not that far
                                                                   CGG
                                                            Where you are is where I wanna be
[Refrão]
                                                             D C D C
                                                            You're the voice I hear inside my head D
                                                            Oh, I need to find you, yeah
The reason that I'm singin'
                                                            [Refrão]
I need to find you
                                                            You're the voice I hear inside my head
I gotta find you
                                                            The reason that I'm singin'
You're the missin' piece I need
                                                            I need to find you
The song inside of me
                                                            I gotta find you
I need to find you
                                                            You're the missin' piece I need
I gotta find you
G D Em (Oh yeah)
                                                            The song inside of me
                                                            I need to find you
                                                            I gotta find you (I gotta find you)
(yeah-ee-yeah)
[Segunda parte]
                                                            You're the voice I hear inside my head
You're the remedy I'm searchin' hard to find
                                                            The reason that I'm singin'
        G
                       Em
To fix the puzzle that I see inside
                                                            I need to find you
Painting all my dreams the color of your smile C G Em D
                                                            I gotta find you
When I find you it will be alright
                                                            You're the missin' piece I need
I need to try to get to where you are
                                                            The song inside of me
                  D
Could it be, you're not that far
                                                            I need to find you
[Refrão]
                                                            I gotta find you
                                                            C G D
You're the voice I hear inside my head
                                                            Yeah-ee-yeah
The reason that I'm singin'
                                                            C G D
                                                            Gotta find you
```

 $\mathsf{Em}$ 

## **Acordes**
