

# Caná Caiana - Tropicalina

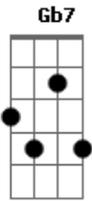

tom:  
Bm  
Frescor  
Adrenalina  
Senti dentro de mim  
Paixão  
Tropicalina  
Calor  
Que frenesi  
Esse clima pega o corpo  
De verão acende o fogo

Vai queimando minha pele preta igual a tua  
Sol que doura o teu sorriso  
O suor que arde os olhos  
Nosso bloco solto pela rua  
Vem cá, vem  
Vem, me tem  
Tô tão bem  
Tu também  
Se quer, tem  
Fico zen  
Só nós aqui e mais ninguém
