Sesteando sob a figueira depois da lida no campo

Sonhei meu sonho perfeito

Um rancho bem acabado a china e o piá do lado

A ressonar no meu peito

imagem de um campo verde bordado por mato virgem

E o tropel de uma potrada

Na coxilha lembro ainda a ponta de gado mui linda

de volta pra invernada

Ajeitando um bom galpão pra guardar muitas lembranças

De minh'alma de campeiro

O meu laço, meus aperos que por tempos, mui faceiro

Campereeí o pago inteiro/

(Mas que tal companheiro te confesso

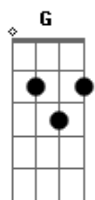

Que pra Deus rezando eu peço os meus sonhos realizar

E Deus responde, te criei peão da lida

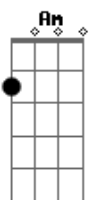

Te concedo nesta vida só o direito de sonhar)
