

# Candlebox - You

tom: D Oh, you It's for you Only you It's for you	On my own Yes, it's mine All alone As I cry for you, yes, I'll die for you Pain in my heart, it is real And I'll take everything as it comes my way Feel in my heart it's for you
I'll never know, I'll never care, I'll never believe my people I'll tell you what I say I'll never lie, I'll never try, I'll never cry for you people I'll push you, push away	And I'll lie for you as I die for you Pain in my heart, it is real And I'll tell you now how I feel inside Fuck you, it's for you
As you lonely people Keep on runnin' 'round my door Yes, you lonely people Keep on beggin', beg for more	[Riff 1] (Band enters here)
And I'll cry for you, yes, I'll die for you Pain in my heart it is real And I'll tell you now how I feel inside Feel in my heart, it's for you	[Verse]  (3x) (7x) (4x)
It's for you Only you It's for you	[Chorus] (With distortion) (4x)
I'll never try, I'll never die, I'll never push for you people I'll tell you how I feel I'll never lie, I'll never cry, I'll never try for you people I'll tell you, yes, it's real	
And you lonely people Keep on passing time away Yes, you lonely people Keep on passing, pass away	Then repeat Riff 1, and the verse Play the chorus 8x
And I'll cry for you, yes, I'll die for you Pain in my heart it is real And I'll tell you now how I feel inside Feel in my heart it's for you	3Rd Verse (Clean tone, with delay or chorus)
And I'll take everything as it comes my way Pushin' your pain 'round my door And I'll I cry for you as I die for you Is this blood on my hands all for you?	-This repeats a lot of times, listen to the song to get the pattern.
You shiver and shudder, recovers your mother You feel it take control All alone Feel alive In your soul	[Bridge] (With distortion) (2x)
Come around town, steal another dime, take another line Won't you feel it blanket your soul out of mind Come around town, steal another dime, do another crime Won't you get it higher and higher, all through time	[Solo] (With wah)
Come around town, steal another dime, don't you push your drugs in my face Yes, I feel it, feeling fine Don't you push your drugs in my face or I'm gonna put you in your place Fuck you, I don't want it no more	Final chorus Rythm Guitar: Play chorus riff Lead Guitar (7x)
And it's mine Said this pain in my heart, it's all mine Yes, it's mine All alone	Then play the bridge
Oh, I don't want it no more I don't want it no more I don't want it no more I don't want it no more	Rythm: Resume chorus riff
And it's mine	Lead (11x)
	-There are some variations here, I'm not sure about them. Improvise.
	"And I'll tell you now..."
