

Cante com Nena - Chuá, Chuá

tom:

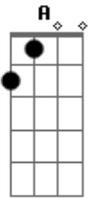

Quando olho o céu e ele escuro está
 Sinto o vento forte e vejo o relampejar
 Uma chuva irá descer
 Fazendo a vida florescer
 O criador tudo planejou

Chuá, Chuá
 A chuva vai cair
 Chuá, Chuá
 Foi Deus que fez assim
 Chuá, Chuá
 A Chuva molha chão
 E a natureza louva a Deus com gratidão
