

Canto do Jovem - Alegria e Eu

tom:

Intro: A D E D
A Bm E7

Noite, lua, um sorriso, enfim

Alegria vem, me arrasta, me toma, se faz dona de mim

Posso ser quem eu quiser mas tem que ser o melhor de mim

Tendo a felicidade eu to com tudo, sim!

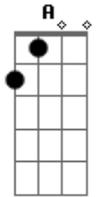

Coração é quem vai dizer

Como posso me encontrar, pra que lado eu devo seguir

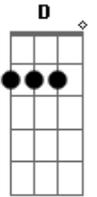

E buscar bem lá do fundo um tesouro em cristal

Lapidado com todo cuidado pela Lei do Amor
