Vem chegando a Marujada de Guerra

Estremecendo a terra

Com o rufar dos seus tambores já chegou!

vem trazendo o sonho de navegador

Viver o azul do amor

Sobre todas as cores já chegou!

Azul e branco é a tez do meu cantar

Braços em ondas no ar

Imenso rio de alegria

Azul e branco é a tez do meu cantar

Bandeiras, banzeiro no ar

Intenso mar de poesia

Vem mergulhar nesse rio

Vem banhar nesse mar

Vem brincar de amor

Vem ser a cor do meu cantar

Vem mergulhar nesse rio

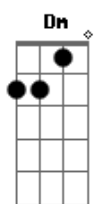

Vem banhar nesse mar

Vem brincar de amor

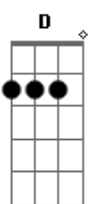

Vem ser a cor do meu cantar
