Intro: D Bm D Bm
 Oh, oh, oh, oh, oh, oh Pajé! Pajé!
 Oh, oh, oh, oh, oh Pajé! Pajé!

[Solo] D Bm G A7
 D Bm G A7

Mundurucu é Sateré clamam ao pajé

Bênçãos neste grande ritual
 Curiató, tupinambá fazem oração

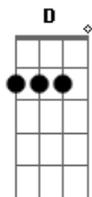

Ouve-se a canção dos Andirás
 Iarinin, Iarinin, Iarinin Tawacapé
 Iarinin, Iarinin, Iarinin Tawacapé

O grande filho de Tupã

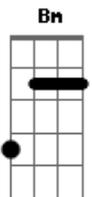

Empunhou seu cajado
 E com gestos de pajelança o libertador
 Exerce o poder que as tribos lhe tem confiado
 E dança a dança que apaga o fogo assolador
 Pajé...Pajé
 Na feitiçaria tens todo o poder do bem
 Se enjera e toma forma de urutau
 Na nigromância, a sabedoria
 A força que separa o bem do mal
 Pajé! Pajé! Pajé!
 Tua força tua dança
 Teu cajado a esperança
 Da vida tribal
