

# Car Seat Headrest - Bodys

Tom: **D**

**D** That's not what I meant to say at all **G**  
**Gbm** I mean I'm sick of meaning I just want to hold you  
**D** But that's not what I wanted to say at all **G**  
**Gbm** I mean I'm sick of meaning I just want to hold you

**D** Is it the chorus yet? **G** **D**  
**G** No, it's just the building of the verse. So when the chorus  
 does come, it'll be more rewarding

**D** I would speak to you in song but you can't sing **G**  
**D** As far as I'm aware, though everyone can sing  
 As you are well aware **G**  
**D** I keep so quiet it's hard to tell I'm alive  
**D** Everybody is swinging their hips  
**G** Everybody is giving the waitress tips  
**Gbm** Everybody's dancing all of the dances  
**G** Everybody's dancing every dance now  
 ( **D** **Em** **Gbm** **G** )

**D** Those are you got some nice shoulders **Em**  
**Gbm** I'd like to put my hands around them  
**G** I'd like to put my hands around them  
**D** I have enough trouble controlling my own limbs  
**G** Stealing alcohol from our parents and grandparents  
**Gbm** There's no devil on one shoulder and angel on the other  
**G** They're just two normal people  
**D** These are the people that I get drunk with  
**G** These are the people that I fell in love with  
**D** These are the people that I get drunk with  
**G**

These are the people that I fell in love with

**D** But if you keep giving me your empty hands **G**  
 Man, I am tempted to say  
**D** "Let's piss up another rope, boys  
**G** This one has grown old and bitter"  
**D** Well so what? We're young **G**  
**D** We're thin (most of us)  
**G** We're alive (most of us)

**D** Don't you realize our bodies could fall apart at any second **Gbm** **G**  
**D** I am terrified your body could fall apart at any second **Gbm** **G**  
**D** Those are you got some nice shoulders **Em**  
**Gbm** I'd like to put my hands around them  
**G** I'd like to put my hands around them  
**D** We can get real horny and keep messing around **Em**  
**Gbm** We can keep real quiet, won't be making no sounds  
**G** I'll try my best not to touch your face  
 Next time can we please meet at my place  
 ( **D** **Em** **Gbm** **G** )

**D** And I know that I don't talk a lot **Em**  
**Gbm** And I know that you don't care a lot **G**  
**D** But as long as we move our bodies around a lot **Em**  
**Gbm** We'll forget that we forgot how to talk **G**

**D** When we dance, when we **G**  
**D** When we dance, when we **G**

**D** Don't you realize our bodies could fall apart at any second **Em** **Gbm** **G**  
**D** Those are you got some nice shoulders **Em**  
**Gbm** I'd like to put my hands around them  
**G** I'd like to put my hands around them  
**D** When we dance, when we dance, oh-ho, oh **Gbm** **G**  
**D** When we dance, when we dance, oh-ho, oh-ho, oh **Gbm** **G**
