

Car Seat Headrest - Drunk Drivers / Killer Whales

Tom: D

D D Em
In the back-seat of my heart.
D D Em G
My love tells me I'm a mess.
D D Em
I couldn't get the car to start.
D D Em G
I left my keys somewhere in the mess.

D D Em G
It comes and goes in plateaus, one month later I'm a fucking
pro.
D D Em
My parents would be proud
G D D Em
Oh, fall asleep on the floor, forget what happened in the
morning
G D D Em
There are notes in your handwriting, so you can make it out

Chorus:

G D
We are not a proud race
A Gb
It's not a race at all
E
We're just trying
D A
I'm only trying to get home
A
Drunk drivers, drunk drivers.
G D
This is not a good thing
A Gb
I don't mean to rationalise
E D
Or try and explain it away
A
It's not okay
A
Drunk drivers, drunk drivers

Verse:

D D Em
It's too late to articulate it
D D Em G
That empty feeling
D D Em
We share the same fate as the people you hate
D D Em
You built yourself up against others feelings
G D
Then it left you feeling empty
D Em
As a car coasting down hill
G
I have become such a negative person
D D
It was all just an act
Em G
It was all so easily stripped away
D D
But if we learn how to live like this
Em G
Maybe we can learn how to start again
D D
Like a child who has never done wrong
Em
Who hasn't taken that first step

Chorus:

G D
We are not a proud race
A Gb
It's not a race at all
E
We're just trying
D A
I'm only trying to get home
A
Drunk drivers, drunk drivers.
G D
Put it out of your mind
A Gb
And perish the thought
E D
There's no comfort in responsibility
A
Drunk drivers, drunk drivers.

G D
It doesn't have to be like this
A Em
It doesn't have to be like this
G D
It doesn't have to be like this
A Em
Killer whales, killer whales
G D
It doesn't have to be like this
A Em
It doesn't have to be like this
G D
It doesn't have to be like this
A Em
Killer whales, killer whales

G D
Is that voice in your head
A Gb
Giving you shit again?
E
But you know he loves you
D A
and he doesn't mean to cause you pain
G D
Please listen to him
A Gb
It's not too late
E
Turn off the engine
D A
Get out of the car and start to walk
A
Drunk drivers, drunk drivers, drunk drivers, drunk drivers

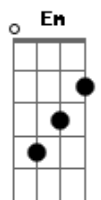

G D
It doesn't have to be like this
A Em
It doesn't have to be like this
G D
It doesn't have to be like this
A Em
Killer whales, killer whales
G D
It doesn't have to be like this
A Em
It doesn't have to be like this
G D
It doesn't have to be like this
A Em
Killer whales, killer whaaaaaaales

Outro: G D A Fm Em D A Em (Repetir se necessário)
