                    F
Intro:  F   Am   Bb   Am

[Primeira Parte]

F
When did our heart
        Am
Stop beating?
Bb                Am
Used up all the heat
                F
When did it start?
Am
Our meeting
      Bb              Am
It?s been on repeat
                    F               Am
I know there's a full moon every night
    Bb
It?s just not always bright
Am              F               Am
But it?s been so long since I saw the light
       Bb               Am
Maybe I haven?t been looking at the sky

F Am Bb Am
      Woah
F Am Bb Am
      Woah

[Refrão]

Maud
              Am
Now you?re gone
                Bb Am
Now you're gone

F
Maud
              Am
Now you?re gone
                Bb Am
Now you're gone

F
Maud
              Am
Now you?re gone
                Bb Am
Now you're gone

Now you're gone

[Segunda Parte]

    F                 Am
Sweetheart please love me too long
Bb
My heart?s too strong
Am
Love me too long
F                 Am
Sweetheart please let me hold on
Bb
To these old songs
Am
I?ve loved too long

[Terceira Parte]

                    F
When I?m in bed
        Am
I?m dead
Bb              Am
No one to check my pulse
            F
And so instead
            Am
My head
Bb              Am
Begs not to be so full
                    F
And when I fall
Am
Asleep
          Bb                Am
Which part of me writes the dream
                      F
And which part falls
Am
Asleep?
Bb              Am
Who's running the machine?

                    F           Am
I know theres a full moon every night
      Bb              Am
When I dress black it snows white
                    F           Am
I know theres a full moon every night
      Bb              Am
When I dress black it snows white
                        F   Am Bb Am
I know theres a full
                    F       Am
I know theres a full (asleep)
Bb              Am
Who's running the machine?
                    F           Am
I know theres a full moon every night
      Bb              Am
When I dress black it snows white
                    F           Am
I know theres a full moon every night
      Bb              Am
When I dress black it snows white
