

Car Seat Headrest - Something Soon

Tom: **D**

D
biting my clothes to keep from screaming
D
taking pills to keep from dreaming
Gbm **G**
I want to break something important
Gbm **G**
I want to kick my dad in the shins

D
I was referring to the present in past tense
D
it was the only way that I could survive it
Gbm **G**
I want to close my head in the car door
Gbm **G**
I want to sing this song like I'm dying

A
heavy boots on my throat, I need
D **G**
I need somethin soon I need somethin soon
A
I can't talk to my folks, I need
D **G**
I need somethin soon I need somethin soon
A
All of my fingers are froze, I need
D **G**
I need somethin soon I need somethin soon
A
Only one change of clothes, I need
D **G**
I need somethin soon I need somethin soon
A

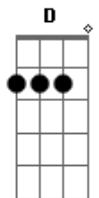

my head is my head is my head is

D
stay inside all this winter
D
filling out forms from a working printer
Gbm **G**
I want to talk like Raymond Carver
Gbm **G**
I want to turn down the goddamn tv

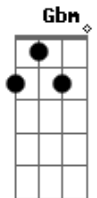

D
binging on the latest sitcom
D
feeling guilty every second it's on
Gbm **G**
I want to put my foot through a window
Gbm **G**
I want to romanticize my headfuck

A
heavy boots on my throat, I need
D **G**
I need somethin soon I need somethin soon
A
I can't talk to my folks, I need
D **G**
I need somethin soon I need somethin soon
A
All of my fingers are froze, I need
D **G**
I need somethin soon I need somethin soon
A
Only one change of clothes, I need
D **G**
I need somethin soon I need somethin soon
A
my head is my head is my head is
