

# Car Seat Headrest - Strangers

tom:

A

[Primeira Parte]

A G  
If I can fit my dreams  
A G  
You say the same things over and over  
G F  
Into an AB AB rhyme scheme  
G E7  
You say the same things over and over  
  
A G  
Love is a way of passing on our genes  
A G  
Love is because we want to further our genes  
G F  
God is a scientist, he's just found out about us  
G E7  
He's published a study but he don't know much about us

[Refrão]

A G Gm Em  
When I die I won't become a ghost  
Gbm  
Because I'll have nowhere to haunt  
A G Gm Em  
Fuck this town and fuck my dirty hands  
Gbm  
When you're strange if they like  
A  
You then they gotta be stranger  
A  
But they're just strangers

[Segunda Parte]

A G  
Society wants me to fuck, well fuck 'em  
A G  
Car Seat is a genetic stop sign  
G F  
I sleep lying next to a mirror  
G E7

Car Seat is a menace to the public

A G  
Love is a way of advancing our species  
A G  
Love is because we want to keep up our species  
G F  
God is a director, he's just found out about us  
G E7  
He's talked to our agents but he don't know much about us

[Refrão]

A G Gm Em  
When I die I won't become a ghost  
Gbm  
Because I'll have nowhere to haunt  
A G Gm Em  
Fuck this town and fuck my dirty hands  
Gbm  
When you're strange then the critics gotta be stranger  
A  
But they're just strangers

[Final]

D A  
Car Seat's nervous and the lights are bright  
Gbm E  
When I was a kid I fell in love with Michael Stipe  
D A  
I took lyrics out of context and thought  
E E  
"He must be speaking to me"  
  
D A  
I won't last too much longer  
Gbm E  
I'm already starting to run out of places for faces in my head  
Gbm E E  
They're all starting to look the same  
  
D A  
I won't last too much longer  
Gbm E  
I'm already starting to run out of places for faces in my head  
Gbm E E  
They're all starting to look the same
