 She's not my ex, we never met, but do you still think of me?
G **Em** **G**
 They say that the world is one, but if the world is one
F **Am**
 How come you never come around anymore?
D
 I guess it's not that simple
Em **Am**
 Well, everyone learns to live with their sins
C **Am**
 But girl you wear yours like a brand new skin

 So take it all off and let me back in
C **F**
 To your?

G **F**

Make a U-Turn
C
 My phone is freaking out
Am
 I'll lose my shit while it re-routes but
G
 But she moves and
Em
 She speaks and
G **F**
 She's on a chain that moves towards perfection
Am **D**
 Baby, the effects are so good these days, if there were gears
 behind those big brown
 Eyes, I wouldn't be able to tell the difference
G Am C (x2)
G **Am**
 Oh, girl
C **G** **Am C**
 You know you got to be forgiving in a world like this
G **Am**
 It's a small world
C **G** **Am**
C
 And you know you got to come see me sooner or later, girl you
 know I know...
G Am C (x4)
Em **Am**
 Well, everyone learns to live with themselves
C **Am**
 And you're not the only one who's been through hell

 So give me a sign that I'm not making love to myself
G
 It's an unforgiving world
