

# Carla Bruni - Spring Waltz

tom:  
Capostrate na 1ª casa

Dance with me  
Life is a dream  
We can take the reigns  
Oh, See the Moon  
Nothing to fear  
Wait for me and I'll be there  
Follow me  
Into the clouds  
Lift upon the breeze  
Oh, those days are gone  
But we can remember  
You are my memory  
We all want to be seen by another  
For all we hope to be  
We never know the way  
We'll be brought together

But when we are, it sets us free  
I'll wait for you  
( C G C G )  
( C G C G )  
( C G C Bm )  
( Em D D )  
We all want to be seen by another  
For all we hope to be  
We never know the way  
We'll be brought together  
But when we are, it sets us free  
Follow me  
Into the clouds  
Lift upon the breeze  
Oh, those days are gone  
But we can remember  
Wait for me and I'll be there  
Hmm Hmm Hmm Hmm  
Hmm Hmm Hmm Hmm

## Acordes
