

Carla Pires - Aprende o Meu Coração

tom:

Intro: E Am E Gb
E A B7

Quem me quiser, há-de saber as conchas
A cantiga dos búzios e do mar

Quem me quiser, há-de saber as ondas

E a verde tentação de naufragar

Quem me quiser, há-de saber as fontes

A laranjeira em flor

A cor do feno a saudade lilás que há nos poentes

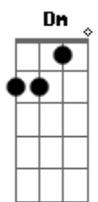

O cheiro de maçãs que há no inverno

Quem me quiser há de saber a chuva

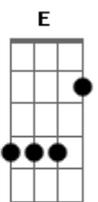

Que põe colares de pérolas nos ombros

Há-de saber os beijos e as uvas

Há de saber as asas e os pombos

Quem me quiser há de saber a espuma

Em que sou um turbilhão subitamente

Ou então não saber coisa nenhuma

E embalar-me ao peito simplesmente

(Dm A A Gb)
(Gbm D Bm D)
(E A Am Gbm)
(Gm B E)

Quem me quiser há de saber a espuma

Em que sou um turbilhão subitamente

Ou então não saber coisa nenhuma

E embalar-me ao peito simplesmente
