

Carlinhos Félix - Coisas da Vida

tom: C

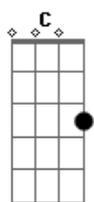

Olho essa cidade tanta coisa prá se ver
 Dá prá se perder nesta imensidão
 Nessas avenidas tanta gente mesmo assim
 Dá prá se sentir só na multidão

Há tanta coisa que eu não posso compreender
 Tantos contrastes que não tem explicação

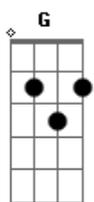

Olhando em volta tris__teza posso ver
 Por trás do brilho falso da ilusão
 Por entre luzes cores sonhos e canções
 Gente sem rumo a procura de emoções
 Talvez tentando expor__tar do coração
 O medo do futuro e a solidão

Coisas da vida qual a saída para essa crise de amor
 Há um caminho só um caminho é jesus cristo o senhor
