

# Carlinhos Félix - Recomeçar

tom:

Intro: Am C F C C  
F Em  
B F Em Am

Valores que ganhamos

Fomos descuidados e o vento levou  
Deixamos muitas vezes de sorrir

Vivendo do passado  
Herança, que bem não faz

Viver novos momentos

Pedindo a Deus pra resgatar o que se foi  
Os sonhos que sonhamos não se viu  
É tempo de reconquistar e recomeçar

[Refrão]

Deixemos de sofrer, vamos viver  
Tudo vai mudar logo ao amanhecer  
Se cremos de verdade no Senhor  
Com certeza tudo vai mudar

[Refrão]

Deixando ele mexer no coração

Frutos de esperança e vida  
Irão crescer

Voltemos novamente a sorrir  
Recebendo agora, heranças do céu
