

Carlos Catuípe - Litoral Norte do Sul

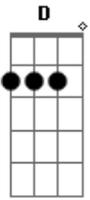

tom:
 Ruídos à beira-mar
 As ondas quebrando sem parar
 Cobrindo a areia, cobrindo a areia
 Em plena luz do luar, em plena luz do luar
 Tempestades de areia
 Dias de sol no Sul
 Mitos ondas e sereias, mitos ondas e sereias
 Noites de céu azul, noites de céu azul
 Ventos duas e areias
 Água e sal

Vida paz e amor
 Litoral
 O lindo e sereno mar
 Estrelas a brilhar
 Vida gerando vida, vida gerando vida
 Sem parar, sem parar
 As areias cristalinas
 Nuvens de algodão
 As ondas quebrando lindas, as ondas quebrando lindas
 Flocos de neve no chão, flocos de neve no chão
