 Capotraste na 3ª casa

Cause You are the Potter  
 The Painter, our God and Creator  
 You give us water, salvation, your blood  
 Yeah, You are the One who we live for, the One who we adore  
 You are God, oh, Our God  
 ( Em G Am Em )

Oh Lord, You are my one desire  
 My soul wants You  
 Oh Lord, You are the One who rules everything  
 How could I live without You?

Cause You are the Potter  
 The Painter, our God and Creator  
 You give us water, salvation, your blood  
 Yeah, You are the One who we live for, the One who we adore  
 ( Em G Am )

## Acordes

You are God, oh, Our God  
 And I cannot understand how Your grace goes so high  
 And Your love can dive all my fears, and shames, and death  
 And I cannot live without all Your presence around  
 So now I surround one more time  
 And one more time  
 One more time  
 ( Em G Am )  
 ( Em G Am )  
 ( Em G Am )  
 ( Em G Am )

And I cannot understand how Your grace goes so high  
 And Your love can dive all my fears, and shames, and death  
 And I cannot live without all Your presence around  
 So now I surround one more time  
 And one more time  
 One more time
