

Carlos José - Esmeralda

Tom: E

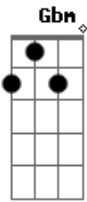

Vestida de noiva, com véu e grinalda
 Lá vai esmeralda, casar na igreja
 Deus queira que os anjos não cantem pra ela
 E lá na capela seu vigário não esteja

Deus queira que a noite, na hora da festa
 Não venha orquestra, não venha ninguém
 Pra ver Esmeralda, com véu e grinalda
 Nos braços de outro que não é seu bem
 Quem devia casar com ela, era eu, sim senhor
 Quem devia casar com ela, era eu, seu amor
