

Carlos Sider - Minha História

Tom: A

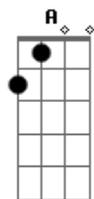

A E Gbm F
 Olho meus dias passados
A B E E
 Tantas lembranças no ar
A D A
 Não fosse a tua presença
Gbm Bm A D B E
 Mudando a vida, mudando a história

 Tudo em mim se recorda
 Do que já fui e hoje sou
 E foi a tua presença

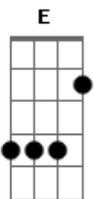

Mudando a vida, mudando a história

D B B E
 E o que era triste, vazio,
Db7 F0 Gbm Gbm D A
 Se fez alegria, se fez vida em mim
Bm Bm E
 Nova razão dos meus dias
G D F E E
 Motivo do meu mais sincero louvor
 E quanto aos tempos futuros
 É descansar, confiar
 E te entregar o meu rumo
 Todos meus dias, minha história
