

# Carlos Silva - Alvará de Liberdade

Tom: A

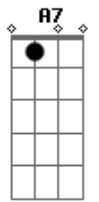

m  
**Dm**  
 Teu negro olhar, é a mistura refletida em tua cor  
 É o desejo do verbo amar, amor  
 É a distancia encurtada do sonhar  
**C7**  
**F**  
 Teu negro olhar, teu negro olhar

É a candura do por do sol se despedindo  
**A7**  
 Com a certeza que amanhã voltará lindo  
 É despertar o forte brilho pra viver  
**C7**  
**F**  
 Teu lindo olhar, teu lindo olhar  
**Fm**  
 É a sentença que eu pago só pra ver  
**A7**  
 É a clausura do desejo a entorpecer  
**G**  
 Num negado alvará de liberdade
