

Carlos Silva - No Balanço da Aroeira

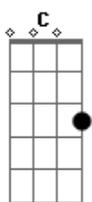

tom:

Intro: C Dm G

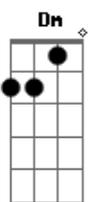

No galho da aroeira, brota um pezin de fulô
 Cheira a essência da amada lá na beira da estrada
 Já colhi versos de amor
 Bem-ti-vi do alto espia

Minha triste solidão

Canta forte e me convida pra cantar também a vida

Pra da dor fazer canção
 A saudade rói o peito e faz os olhos pingar
 Sentimento aperta o choro, coração por desaforo
 Faz o poeta penar
 A saudade rói o peito, balançando a aroeira
 Pra ela eu fiz um verso, com rimas do universo
 Pra chorar a vida inteira
