

Carlos Silva - O Amor Chamou Nós Dois

tom: C

Ontem vi uma coisa interessante
 Que meus olhos brilharam de emoção

Você estava revendo a nossa foto
 Segurando num choro a emoção

Revivendo um momento tão bonito

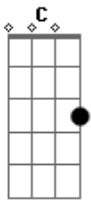

De amor de ternura e carinho
 Que uniram o trilhar dos nossos sonhos

Nos encontrando pra seguir um só caminho
 O amor chamou nós dois, pra vivermos lado a lado

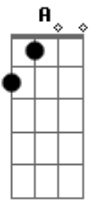

Sem você não terei rumo, nem presente só passado

O amor chamou nós dois, pra vivermos lado a lado
 Sem você não terei rumo, nem presente só passado
