

# Carlos Silva - Saudades do Vento

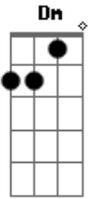

Am tom:  
 Voa leve o pensamento, feito fenix se Refaz  
 Cresce asas voa ao vento, e tudo vem gerando a paz  
 Mexe com meu sentimento, saudade forma uma loa  
 Do tempo que viver e amar, não era coisa atôa

Dm G C  
 Vento me trás a cantiga, soprada com alegria  
 Am Dm E Am  
 Arrastando do meu peito bela e suave harmonia  
 Dm E Am  
 Transforma em lindos versos, meu viver do dia a dia  
 Dm G C  
 Se possível trás de novo o cheiro suave dela  
 Am Dm G  
 Pra que eu faça na canção versos lindos só pra ela  
 Am Dm E Am  
 Pois minha vida e poesia, toda vez que eu penso nela
