

Carlos Silva - Viver É Fase Bendita

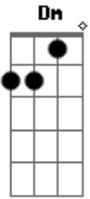

Am tom:
 O tempo traduz o viver
 De quem guarda no peito a saudade
 Arrastando lentamente a dor que no peito invade
 Viver é uma fase bendita

Acumulando na estrada da boa querência
 O sonhar, o sentir o amar
 O prosseguir respeitando a cadencia
 Dentre todos os males da vida
 A partida é a estrada findada
 De quem despede e deixa saudade
 Dos pampas e da sua amada
