

Carly Rae Jepsen - Cup Of Tea

Tom: **D**

(com acordes na forma de **G**)
Capotraste na 7ª casa

G **Em**
A cup of tea, a cup of tea

G **D7**
I've been driving all night, you won't turn on your light that easily

G **Em**
A neon sign offers some shelter across the street

C **G**
Guess I'll drink my trouble down with a cup of tea

G **Em**
You're over me, you're over me

G **D7**
I howl at your room like a wolf to the moon going crazy

G **Em**
Ring one more time, I won't let your footsteps down me

C **G**
Guess I'll sit and wait all night with my cup of tea

G **C**
But it's getting cold in here, 24 hours dear

Em **D7**
Are you with someone else tonight?

G **C**
Distance was killing me, I thought how surprised you'd be

C **D7**
I hope we make sweet love after we fight

G **Em**
Na na na na na na na

C **D7**
Na na na na na na na

Na na na na na na na

G **Em**
I let it be, try to let it be

C **D7**
I'll be hot to your touch, you say I think too much, call me ?baby?

G **Em**
And it'll all be fine once you are walking up the street

C
?Til then I'll sit and wait all night with my cup of tea

G **C**
But it's getting cold in here, 24 hours dear

Em **D7**
Are you with someone else tonight?

G **C**
Distance was killing me, I thought how surprised you'd be

C **D7**
I hope we make sweet love after we fight

G **Em**
Na na na na na na na

C
Na na na na na na na

D7
Na na na na na na na

G **Em**
A cup of tea, a cup of tea

C **D7**
She's holding your waist like she'd give you a taste so easily

G **Em**
I won't cry, no, I'll just watch, and I will see

C **D7** **G**
And I'll say my last goodbye with a cup of tea

Acordes
