You must remember this, a kiss is still a kiss.

A sigh is just a sigh;

The fundamental things apply,

**Dm** **G7** **C** **Edim** **Dm** **G7**  
As time goes by.

**Dm** **G7** **Gm** **G7**  
And when two lovers woo, they still say I love you,

**C** **Dm** **Cdim** **Em**  
On that you can rely;

**D7** **G7**  
No matter what the future brings

**Dm** **G7** **C** **Fdim** **C** **C7**  
As time goes by

Bridge:

**F** **A7**  
Moonlight and love songs never out of date,

**Dm** **Cdim**  
Hearts full of passion jealousy and hate,

**Am** **Am** **Am** **D7**  
Woman needs man, and man must have his mate,

**G7** **Gdim** **G7**  
That no one can deny.

**Dm** **G7** **Gm** **G7**  
It's still the same old story, a fight for love and glory,

**C** **Dm** **Cdim** **Em**  
A case of do or die,

**D7** **G7**  
The world will always welcome lovers

**Dm** **G7** **C** **Fdim** **C**  
As time goes by.
